The Record count is: 201

* Distance and Direction from the Radius/Drive Time center point.

The query list has exceeded the limit of 200 records! This report is limited to the first 200 records found in the any given geography. You may want to refine your geography to a smaller area.

Current year data is for the year **2006**, 5 year projected data is for the year **2011**. More About Our Data.
